
ESTHETICS

Enhance your natural beauty with our premium esthetic services, designed to refresh and rejuvenate your appearance with precision and care. From dermal fillers that restore volume and definition to Botox treatments that smooth fine lines and wrinkles, we offer trusted solutions tailored to your unique needs. Explore our pricing below and take the next step toward a more confident you.

DERMOFILLERS

Our dermal fillers, including Restylane Kysse and Restylane Eyelight, are priced per syringe, allowing for customized treatments that enhance volume, contour, and definition with natural-looking results.

Restylane Kysse ----- Starting at \$709.15
Restylane Eyelight ----- Starting at \$425.49

BOTOX

Our Botox treatments, including Dysport and Xeomin, are priced per unit, ensuring a personalized approach to smoothing fine lines and wrinkles while maintaining natural facial expressions.

Dysport ----- Starting at \$7.99/unit
Xeomin ----- Starting at \$9.99/unit

WEIGHT LOSS OFFERINGS

Achieve sustainable weight loss with our GLP-1 medications, designed to support appetite control and improve metabolic health. These treatments, including semaglutide and tirzepatide, help regulate hunger, enhance feelings of fullness, and promote gradual, long-term weight reduction. At Strive Wellness & Medical Weight Loss Center, we take a personalized approach—starting with a comprehensive medical review and body composition analysis—to ensure the best treatment plan for your goals.

OFFERINGS

Tirzepatide 10mg/5mg/500mcg/1ml vial -----	\$275 for 1st month starting dose at 25units
